APPLICATION**

Patents & Trademarks
Washington, D.C. 20231

Sir:

INTRODUCTION

The Examiner has rejected claims 1-17 in a first Office Action dated September 28, 2004 in a non-final action. The Examiner has objected to the following:

A. Information Disclosure Statement (IDS)

The Examiner states that a listing of references in the specification is not a proper information disclosure statement. The Examiner goes on to state that unless the references have been "...submitted in a separate paper." or cited by the Examiner on form PTO-892, the have not been considered by the Examiner.
